

### Specification Nidelv 965 S-line OC

<b>Nidelv 965 S-line OC</b>	
CE classification	C
Length over all	9.65 m
Width over all	3.30 m
Draft	0.82 m
Headway	2.44 m / 2.90 m
Headroom	+/- 1.90 m
Displacement	ca. 3.750 kg
Hull shape	Spithole
Stainless steel keel sole (protection rudder and propeller)	X
Engine	Yanmar, 110 hp
Dynamo	125 Amp.
Engine control	Single
Stainless Steel water lubricated propeller shaft	Ø 40mm
Propeller 4 Blade	X
Steering	Hydraulic
Exhaust system plastic	X
Oil collector under engine	X
<b>Technics</b>	
Maintenance-free propeller shaft installation	X
Engine water filter, easy to access	X
Aluminum anodes	2
Nidelv engine room insulation package	X
Double pole electrical system	X
Main switch for start, service and bow thruster	X
Emergency main switch (parallel switching start and service batteries)	X
Shore power 220 Volt with 30 Amp charger and 3x 220 Volt socket	O
Shore power 220 Volt with 50 Amp charger / 1.200 Watt inverter and 3x 220 Volt socket	O
Maintenance-free batteries 3x 115 Ah; 2x consumer / 1x engine	X
Extra 220V sockets	O
220V waterproof socket	O
12V socket	X
Power supply display	O
Bow thruster tunnel	X
Bow thruster	60 kgf
Stern thruster (50 kgf)	O
Aluminum water tank with inspection cover	250 liters
Automatic drinking water system	X
Boiler 30 liters	X
Aluminum diesel tank with inspection cover	290 liters
Emergency shut-off valve between diesel pipes	X
Diesel pre-filter, easily accessible	X
Aluminium grey water tank (90 litres)	O
Aluminum waste water tank	85 liters
Electric waste water pump	X
Hot air heating (2 kW) with outlets	O

Environmentally friendly automatic fire extinguisher in engine room	X
Shower drain tank with pump	X
Drinking water pump	X
Electric bilge pump with automatic level switch	1
Manual bilge pump mounted in engine room	X
<b>Windows and stainless steel</b>	
Windows with Securit safety glass	X
Tinted windows	X
Modern flushline windows	X
Windshield with clear tempered glass	X
Folding instrument arch (min. headway 2.31 m)	O
Flush mounted escape hatch on foredeck	X
Mosquito screen built into ceiling	X
Polished stainless steel railing with intermediate tube	X
Polished stainless steel handrail on forward cabin roof	X
Polished stainless steel bollards	6
Polished stainless steel bathing platform with synthetic teak platform	X
Stainless steel bow roller with stainless steel anchor and lead line	O
Electric anchor winch with stainless steel anchor and anchor chain	O
Polished stainless steel folding swim ladder	X
Teak steps on bathing ladder	X
Polished stainless steel air intake grilles	X
<b>Interior equipment</b>

The Nidelv 965 S-line OC gives the ultimate cruising experience in convertible sailing with plenty of comfort also for longer stays on board. Large open cockpit, spacious freestanding bed in forward cabin, generous sanitary room and extra sofa bed.	X
Layout, style as exhibited	X
Interior in HPL walnut	X
White vinyl between the windows	X
Mirror in wooden frame in sanitary room	X
White ceiling panels with lighting	X
Chrome LED ceiling lighting	2
Chrome reading lamps with USB charging point, in front cabin	X
Countertop made of synthetic material	X
Worktop in sanitary room made of synthetic material	X
Chrome push button closure for the cabinet doors	X
HPL teak flooring throughout vessel	X
Spacious freestanding bed in front cabin	X
Compressor refrigerator, approx. 65 litres	X
Hob, 2-fl.	X
Stainless steel sink in kitchen	X
Shower with plastic/polyester bottom	X
Luxury chrome one-handle tap	X
Electric toilet connected to waste water tank	X
Fire extinguishers	X
Upholstery and curtains as exhibited	X

<b>Outdoor equipment</b>	
Transom door from cockpit to bathing platform for easy access	X
Floor in cockpit in HPL teakline	X
Upholstered integrated seat in cockpit	X
Special design height-adjustable table in cockpit	X
Convertible canopy above steering position, on aluminum frame, easy to open and close	X
Canopy, on aluminum frame, over entire cockpit	X
Navigation lights in LED	X
Electric Horn	X
Transom shower	X
Stainless steel filling opening (diesel / water) in gangway	X
Rubber fendering	X
Couch in cockpit easily convertible to lounger/berth	X
Fenders with lines	4
Mooring ropes	4
Stainless steel flagpole with national flag	X
Boat-hook	X
Emergency steering device in accordance with CE	X
<b>Steering position</b>	
Steering position in luxury version	X
One-hand control Electric	O
Instrument panel Yanmar	X
Voltmeter with alarm	X
RPM meter	X
Running hours meter	X
Oil pressure gauge with alarm	X
Temperature gauge with alarm	X
Switch horn	X
Water tank gauge	X
Diesel tank gauge	X
Waste water tank gauge	O
Rudder gauge	O
Radio with 4 speakers	O
Depth gauge via chartplotter/GPS	O
Autopilot	O
Compass	Liquid
Chartplotter/GPS	O
Steering wheel in Nidelv design	X
Windshield wipers	X
Comfortable steering seat and passenger seat	X
<b>Various</b>	
Hull color in white, as shown	X
Striping waterline and under gangway	X
Antifouling black	X
Ship name and home port	O
Nidelv hand/instruction book	X
100 liters of diesel upon delivery	X
Transport Norway - Drachten	X
