

# Smelne Vlet 42 CC Luxury

Length over all	+/- 12.98 m
Length waterline	+/- 11.40 m
Beam over all	+/- 4.15 m
Draught	+/- 1.15 m
Air draught	+/- 2.50 m
Headroom	+/- 1.95 m
CE-catagory	B
Hull steel	5 mm
Superstructure steel	4 mm
Deck steel	4 mm
Passing through keel (protection propeller)	22 mm
Weight	+/- 16.280 kg
Hull shape	Multichine
Bulkheads	3
Engine	Volvo Penta, D4, 175 hp
Alternator	150 Amp
Engine control electric	single lever
Stainless steel water lubricated propeller shaft	Ø 40 mm
Propeller, 5-blade	○
Steering	Hydraulic
Generator, Fischer Panda 8000i (6,4 kW)	○
Water separator generator	○
Exhaust system synthetic material	○

# Smelne Vlet 42 CC Luxury

## Technical details

Maintenance free propeller shaft in system	<input type="radio"/>
Rubber bearing homokinetic coupling with dynamic pressure bearing	<input type="radio"/>
Cooling water filter of the engine in double version	<input type="radio"/>
Aluminium anodes	6
Smelne Isolation packet	<input type="radio"/>
Bipolar electrical system	<input type="radio"/>
Mainswitch for start- and domestic system	<input type="radio"/>
Shore connection 230V/16Amp. in stainless steel on bathing platform and front deck	<input type="radio"/>
Maintenance free batteries in 4 groups - 12V 2x 220Ah/5x 165Ah	<input type="radio"/>
230V wall sockets	12
USB wall sockets	1
Emergency switch 230 V	<input type="radio"/>
Inverter/charger combi Victron Quattro 12V/3000W/120Amp	<input type="radio"/>
Isolating transformer 3600W	<input type="radio"/>
Power display	<input type="radio"/>
Acculader Victron blue smart voor generator accu	<input type="radio"/>
230V shore connection cable 25m	<input type="radio"/>
Bow thruster electric 180 Kgf	<input type="radio"/>
Stern thruster electric 180 Kgf	<input type="radio"/>
Remote control for bow and stern thruster	<input type="radio"/>
Stainless steel watertanks with inspection hatches	+/- 650 L
Automatic drinking water system	<input type="radio"/>
Combi calorifier integrated in Kabola heater	<input type="radio"/>

# Smelne Vlet 42 CC Luxury

Fuel tank with inspection hatch	+/- 750 L
Emergency valve between fuel pipes	<input type="radio"/>
Fuel pipes ISO 7840	<input type="radio"/>
Holding tank	+/- 260 L
Central heating Kabola Combi HR 400 with convectors/radiators	<input type="radio"/>
Environment friendly automatic fire extinguisher in engine room	<input type="radio"/>
Lighting in engine room	<input type="radio"/>
Deckwashpump	<input type="radio"/>
Shower drain incl. electric pump system	<input type="radio"/>
Fresh water pump with expansion tank	<input type="radio"/>
Electric bilgepump with automatic level switch	3

## Windows and stainless steel fitting

Windows with Security safety glass	<input type="radio"/>
Windows fitted in anodised aluminium frames	<input type="radio"/>
Double glazing in saloon, Thermic Line profiles	<input type="radio"/>
Grey tinted windows	<input type="radio"/>
Hinged window in saloon	1
Portholes in frontcabin (can also be opened)	6
Portholes in hull (can also be opened)	2
Escapehatch in forward cabin, 50x50 cm	<input type="radio"/>
Escapehatch in guest cabin, 50x37 cm	<input type="radio"/>
Escapehatch in toilet and shower, 50x37 cm	<input type="radio"/>

# Smelne Vlet 42 CC Luxury

Polished stainless steel railing	<input type="radio"/>
Polished stainless steel bathing ladder integrated and build in sunk	<input type="radio"/>
Polished stainless steel handrailing on saloon roof	<input type="radio"/>
Polished stainless steel handle on transom as handgrip	<input type="radio"/>
Polished stainless steel bollards	4
Polished stainless steel cleats	6
Polished stainless steel protection	<input type="radio"/>
Polished stainless steel anchor	30 kg
Polished stainless steel anchor plate	<input type="radio"/>
Stainless steel under fendering	<input type="radio"/>
Escape hatch with stainless steel foundations	<input type="radio"/>

## Interior outfitting

Interior arrangement as on layout drawing	<input type="radio"/>
Cork isolation superstructure between window and steel	<input type="radio"/>
Isolation Resifoam sprayed in complete ship untill water line	<input type="radio"/>
Interior in American cherry wood	<input type="radio"/>
White Vilon between windows	<input type="radio"/>
Skai ceiling panels in saloon	<input type="radio"/>
Chrome LED lights	22
Chrome reading lights in frontcabin and in guest cabin	4
MuggenFly screens/darkening combi under the escape hatches	3
Hi-Macs on galley worktop	<input type="radio"/>

# Smelne Vlet 42 CC Luxury

Hi-Macs worktop in toilet	<input type="radio"/>
Shower wall in white Formica	<input type="radio"/>
Chrome button closure for cabinet doors	<input type="radio"/>
Solid doors with stainless steel fittings	<input type="radio"/>
Interior steps massive cherry wood	<input type="radio"/>
Saloon table	<input type="radio"/>
Deco teak formica flooring in saloon, galley and hall to forward cabin with solid mouldings around the existing hatches	<input type="radio"/>
Compressor refrigerator, approx. 130L	<input type="radio"/>
4-vl. induction cooker, with integrated extractor fan	<input type="radio"/>
Dimmer for lighting	<input type="radio"/>
Stainless steel sink in kitchen	<input type="radio"/>
Built-in washbasin shower and toilet (white)	<input type="radio"/>
Shower wall with clear glass	<input type="radio"/>
Epoxy floor in shower	<input type="radio"/>
Luxury single lever chrome watertaps	<input type="radio"/>
Mirror above washbasin in shower	<input type="radio"/>
Electric toilet incl. 3-way valve	<input type="radio"/>
Radio/CD with 2 speakers in saloon	<input type="radio"/>
Fire extinguisher 2 kg	2
Upholstery, carpet and curtains according to Smelne collection	<input type="radio"/>

## Outside equipment

Massive teak entrance doors in cockpit with double glazing	4
Massive side door on port side	○
Integrated bathing platform with synthetic teakdeck	○
Two integrated semicircular stairs from aft deck to bathing platform	○
Electric anchorwinch with 30m chain	○
Extended saloon roof over open cockpit with deck lighting	○
Open cockpit with synthetic teak deck and cockpit canopy	○
Shower on bathing platform	○
L-shaped bench in open cockpit, upholstered	○
230V socket in cockpit on side bench	○
Door in transom from cockpit to bathing platform	○
Storage space under the floor in the cockpit	○
Smelne synthetic mast	○
LED Navigations lighting	○
Airhorn	○
Window wiper parallel	3
Saloon roof with closed roof edge	○
Stainless steel water drainage from salon roof till waterline	○
Electric sliding hatch in saloon above steering position	ca. 1.50 x 1.10 m
Plissé fly screen/darkening under sliding hatch	○
Fendering	Cable fender
Stainless steel filler supports in gangway	○
Fenders with lines	4

# Smelne Vlet 42 CC Luxury

Mooring ropes	4
Stainless steel bow flagpole with yard flag	<input type="radio"/>
Stainless steel transom flagpole with national flag	<input type="radio"/>
Boathook	<input type="radio"/>
Emergency steering according CE	<input type="radio"/>
Name of ship and harbour	<input type="radio"/>

## Steering position

Steering position in leather design	<input type="radio"/>
Single lever control	Electric <input type="radio"/>
Instrumentpanel	<input type="radio"/>
Volt indicator with alarm	<input type="radio"/>
R.P.M. counter	<input type="radio"/>
Engine hour counter	<input type="radio"/>
Oil pressure indicator with alarm	<input type="radio"/>
Temperature indicator with alarm	<input type="radio"/>
Claxon button	<input type="radio"/>
Watertank indicator	<input type="radio"/>
Fueltank indicator	<input type="radio"/>
Holding tank indicator	<input type="radio"/>
Rudder indicator	<input type="radio"/>
Radio met Bluetooth-functie	<input type="radio"/>
Depth	Raymarine i70

# Smelne Vlet 42 CC Luxury

Sumlog	Raymarine i70
Compas	Raymarine i70
Chartplotter/GPS 12 inch screen	Raymarine Axiom Plus
Steering wheel mahagony/stainless steel	<input type="radio"/>
Steering chair	<input type="radio"/>

## Painting system

Painting system 2-components Alexseal	<input type="radio"/>
Colour as exposed	<input type="radio"/>
Extra layer 2-components Premium Top Coat	<input type="radio"/>
Antislipcoating on saloon roof and decks (running parts)	<input type="radio"/>
Underwatership 2-components environment friendly antifouling	<input type="radio"/>
Extra layer 2-components Interior Coating all lying parts	<input type="radio"/>
Interior sprayed complete in 2-componentes	<input type="radio"/>
Antislipcoating on roof of saloon	<input type="radio"/>

## Miscellaneous

Smelne instructions manuels	<input type="radio"/>
250 liter fuel	<input type="radio"/>

*Price excluding VAT, as per above specification*

**€ 539.460,-**
